Ref: 2020 Elections

Dear Members,

Due to the 2020 COVID 19 Pandemic, and the recommendation of the Washington State Department and District 2, I am hereby cancelling the 2020 elections. This being, said the officers that held positions during 2019 will serve one more year, unless they deem it necessary to resign their position at the end of the 2019 term. In the case of a resignation, I will appoint someone to step into that that vacated position until they can be approved by the members in our next General meeting that we are able to hold. I feel that this is the best move for us to make, in that it will continue the up swinging trend that we were in when we had to shut down.

The pandemic has completely disrupted all our lives but being veterans and families of veterans we are used to disruptions and will persevere. Keep up the good work on social distancing and stay healthy.

Sincerely yours:

Dennis R Winn

Commander
